

51st ANNUAL TECHNICAL WORKSHOP SAVE THE DATE – September 22, 2020

*Presented by the Houston Association of Professional Landmen
and Hosted by Jackson Walker LLP*

**Register Today – For the Virtual HAPL Technical Workshop
on Tuesday, September 22nd by Pre-Recorded Webinar!**

In accordance with the CDC requirements and current orders from Texas Governor Greg Abbott regarding Covid-19, and out of an abundance of caution for our attendees and speakers, the HAPL Technical Workshop will be provided by Pre-Recorded Presentation for all Registered Attendees this year

Reduced Pricing - \$30.00/HAPL Member & \$45.00/Non-Members!

The HAPL Technical Workshop will be approved for **Seven (7) CPL/RPL** credits including Ethics from AAPL, as well as **CLE** Accreditation with multiple State Bars for the following Topics:

- ❖ **JOAs: Suggested Additions and Edits for Operators and Non-Operators in Horizontal Plays** - Eric Ocwieja, Partner with The Kuiper Law Firm
- ❖ **The Prudent Operator Standard** – Austin W. Brister, Partner with McGinnis Lochridge
- ❖ **The Trouble with Emojis: Emerging Legal Issues and Proposed Business Responses** – Jason A. Levine, Partner with Alston & Bird LLP
- ❖ **Lessor, May I? – Ramifications of Consent-to-Assign Provisions** – Garrett S. Martin, Associate with Haynes and Boone, LP
- ❖ **Data Management and Artificial Intelligence for the Landman of The Future** – Chris R. Pettigrew, Sr., President of P&P Oil & Gas Solutions
- ❖ **Trends and Risks Associated with Mineral Acquisitions** – Darin A. Zanovich, President of Mesa Minerals LLC
- ❖ **Ethical Considerations for Landmen & ROW Agents: Eminent Domain, Condemnation and Licensing** – Brad W. Anderson, Partner with Jackson Walker LLP
